

CBA(BC) Benevolent Society's  
21<sup>th</sup> Annual

# Battle of the Bar Bands

Presented by:

Battle of the Bar Bands Vancouver is an annual fundraiser benefitting the CBA(BC) Benevolent Society.

Fully volunteer run, the Society exists to respond discretely to a crisis in a lawyer's or articulated student's life, and to provide emergency money and a measure of dignity to the applicant when no other resources are available.

Despite the mythology and fancy education, lawyers often have nowhere to turn when a problem becomes a crisis. Fortunes can turn very quickly and the progressive impact of alcohol, drugs, stress or other unforeseeable health reversals can eliminate a person's means of survival.

When the circumstances fit the Benevolent Society's mandate, help comes quickly and without judgement.

The Benevolent Society's funds are raised annually through Battles of the Bar Bands occurring throughout the province. Talented musicians from the legal community strut their stuff performing much loved cover songs.

Join the fun, enjoy the show and support the cause!
